

RAISING A CHILD WITH CHALLENGES

The Resource Center Program wants you to know that you are not alone in your journey to raise your child, teen and young adult.

**We are here for you!
We educate, support, connect
and strengthen families.**

**Ask us about parenting groups,
mini grants, social skill clubs for
children, teens and young adults,
family events and workshops.**

**“Today is easier because
I know other people in
my shoes.”**
